

# FERMANAGH AND OMAGH VISITOR EXPERIENCE DEVELOPMENT PLAN

## ONLINE INSIGHTS WORKSHOP

We want to deliver a holistic development plan that collaborates with key stakeholders to deliver a unique tourism and destination experience for Fermanagh and Omagh.

This workshop will help to align key priorities and develop key strategies for the plan going forward. It will also give us the chance to learn more about your ambitions for the District to ensure there is a coherent and open dialogue and that the plan is owned and shared by everyone involved.
